Re: Viage

Dear Mr. Spencer,

In brief-

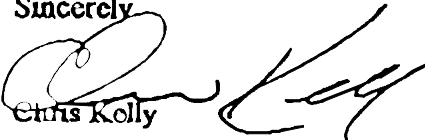

To confirm our earlier telephone conversation, our department has demonstrated **Viage** to approximately 20 liquor license holders to date. I would estimate that at least 15 will be calling you to place an order within the next week. The President of the local **Mothers Against Drunk Drivers** attended our demonstration today and was very impressed. Look for good PR from MADD. Our DUI Task Force is also interested in a few systems.

The Allegheny County District Attorney's office has asked to borrow the demonstration model for one week. They are interested in purchasing a few systems for use in their nuisance bar investigations.

Once the system is returned from the DA's office we plan on contacting the convenience stores to staff enforcing the tobacco law. After this demonstration the local newspaper is doing a story about how we are trying to get 100% compliance in our Borough. I will fax you a copy of the story.

Would you please give me a price breakdown for 1-5 systems 6- 10 etc. or how ever you offer discounts, for multiple sales.

Sincerely

Chris Kelly
