Steven Zappala  
District Attorney of Allegheny County  
303 Court House  
Pittsburgh, PA 15219

Dear Steve:

I would like to take this opportunity to thank you for taking time to meet with us today. I feel that the issues that were discussed were important, and of mutual concern to all of us in the law enforcement profession.

I was extremely impressed, and very interested in the VIAGE ID CHECK. This would be an excellent tool for tavern owners and convenience stores to use to prevent underage drinking, and the underage purchase of tobacco products. To enhance our Crime Prevention Programs already in place, we would like to purchase one of these units from you. It would be our intent to then loan the unit to our local taverns, clubs and convenience stores in an effort to convince them to purchase a unit exclusively for their establishment. I can also envision the unit being used by our patrol officers to verify the age of offenders who alter their driver's license. Please advise me at your earliest convenience as to how we may obtain this valuable tool.

Again, I want to thank you for taking time to meet with us. I look forward to additional meetings as we discussed, and would be willing to host a future meeting at our building.

Sincerely,

  
Jeffrey C. Harbin  
Chief of Police
