TO: MS. SHANNON SHIN, CARDCOM TECHNOLOGY

FROM: YOUTH AND OFFICER DAVID HUESEMANN, GERMANTOWN P.D.

SUBJ: VIAGE SCANNER

DATE: 07-05-00

Ms. Shin:

I would like to thank you and your company again for the donation of the two Viage Scanners to the Germantown, WI Police Department. We have made one of the scanners available to our second and third shift patrol officers to assist them with their alcohol and tobacco enforcement efforts at our local businesses.

The second scanner is currently being used by our Youth Aid and Crime Prevention Officers during educational presentations to local businesses and their employees. In approximately two weeks, our department, in cooperation with the Washington County Tobacco Free Coalition, will be presenting an educational seminar to local businesses and their employees. I will be using the Viage Scanner at the seminar to make the local businesses aware of the technology available to assist them with preventing alcohol and tobacco sales to minors.

Our local newspaper also recently presented a public service article highlighting the Viage Scanner, in an attempt to make the public aware of our department's efforts to stop underage sales of alcohol and tobacco to the youth of our community.

The donated ViAge Scanners have helped our department raise awareness in our community about the issues of alcohol and tobacco abuse. Thanks again for the donation. Your company's concern for the youth of our community is greatly appreciated.
