Dear Mr. Shin;

On behalf of the Kansas Department of Revenue, Alcoholic Beverage Control Division, I would like to thank CardCom Technology for the generous donation of 18 ViAGE Verifier units for use with our field investigators.

The units arrived in time for distribution at our recent in-service training. Agent James Karasek instructed our enforcement agents on the use of the units and talked about some of the past successes of the units. The unit size and mobility is very well suited for the type of investigations our agents perform. This is a valuable tool in the efforts of this agency to effectively enforce underage violations of the liquor laws in the state of Kansas.

Once again I want to thank you for your contribution. Your support of the Alcoholic Beverage Control Division and its mission is commendable and greatly appreciated.

Sincerely.

Robert G. Longino
Director
